

YOTA Month Continues to Expand into the Americas

Youth-operated stations around the world will be part of a special event celebrating youth in amateur radio during the month of December.

BLOOMINGTON, Indiana, November 27, 2019—Amateur radio operators age 25 and younger will be on the air as special event stations around the world throughout December in celebration of youth in amateur radio. YOTA Month stations will be on all bands and modes at various times. QSL and award information is at <http://events.ham-yota.com>.

In the United States this year, the callsigns will be K8Y, K8O, K8T, and K8A. Elsewhere in the Americas, Canada will be VE7YOTA, and Chile is XR2YOTA.
