

## Youth on the Air

Activities for the Next Generation of  
Amateur Radio Operators in the Americas

## Youth on the Air (YOTA) Americas Camp Information

**About the camp:** Our goal is to enrich the amateur radio experience of our campers. They will refine their skills, participate in unique experiences with radio related technologies (Kit builds, Contesting, Antenna build, Satellite Operations, Special Event Station, etc.), meet other young hams through workshops and social events.

**Who can participate:** Any amateur radio operator between the age of 15-25 that resides in North, Central, or South America (IARU Region 2). Space is currently limited to 30 campers.

**When:** July 16-21, 2023

**Where:** Carleton University, Ottawa, Ontario, Canada

**Cost:** \$100 USD per camper (plus transportation to/from Ottawa)

Includes: Meals, lodging, admission fees, camp T-Shirt, and local transportation for camp activities

**Transportation:** Campers are responsible for their own transportation to and from Ottawa. (Airport code: YOW)

**Special Event Station:** We will be using the callsign VE3YOTA. The special event station will be on the air between sessions and during dedicated time slots.

**For more information:** Visit our website at <https://youthontheair.org> and our social media sites.
