#YOTAr2

DECEMBER YOTA MONTH

The entire month of December several youngsters will become active with the callsign suffix YOTA.

The idea for this is to show the amateur radio hobby to youth and to encourage youngsters to be active on the ham radio waves.

Give a demonstration in a school or local club, gather together with your friends, grab a pizza and make some QSOs or enjoy a great pile-up.

Let us all show this great hobby to the world!

Feel free to make a QSO with the youngsters, they are happy to get some attention and exchange information. Licensed and unlicensed youth will be making QSOs, be aware this could be their first radio contact ever and give them a chance to experience a possible new hobby.

Youth on the Air

Activities for the Next Generation of
Amateur Radio Operators in the Americas

**THERE IS YOUTH
IN HAM RADIO!**

KIT BUILDS | ANTENNA BUILDS | SPECIAL EVENT STATION

YOUTH ON THE AIR SUMMER CAMP

Our goal is to enrich the amateur radio experience of young amateur radio operators. They will refine their skills, participate in unique experiences with radio related technologies, and meet other young hams through workshops and social events.

Who: Any amateur radio operator aged 15-25 that resides in North, Central, and South America.

When: Annually each summer

Where: Somewhere in the Americas
