

## Youth on the Air Accepting Eclipse Glasses Donations for Youth and Hams in Argentina

*Youth on the Air is accepting recycling donations of eclipse glasses for hams and youth in Argentina.*

Indianapolis, Indiana, April 23<sup>rd</sup>, 2024—Youth on the Air will be accepting eclipse glasses donations. These recycled eclipse glasses will be sent home with Argentinian campers attending the 2024 YOTA Americas camp so that amateur radio operators and youth can safely watch the Annular Solar Eclipse in October of this year.

This is a great opportunity to recycle your unused or gently used glasses while helping your fellow amateur radio operators and youth in the hobby. Donations will be accepted IN PERSON ONLY at the Dayton Hamvention YOTA Booth #4304 from May 17<sup>th</sup>-19<sup>th</sup> and at the 2024 YOTA Americas Camp in Halifax, NS, Canada from July 7<sup>th</sup>-12<sup>th</sup>.

Also, a reminder that applications are still being accepted for the 2024 Youth on the Air Camp until May 30<sup>th</sup>. The camp, for 15 to 25 year old amateurs, will take place from July 7<sup>th</sup> through July 12<sup>th</sup>, 2024, at the Mount Saint Vincent University campus in Halifax, Nova Scotia, Canada. First time attendees are strongly encouraged to apply.
